### **Limited Warranty**

As the new owner of quality comfort built for you by McRoskey Mattress Company, you should find this one of the most satisfactory mattress and box spring product warranties offered anywhere! The quality of McRoskey products practically eliminates problems and makes such a warranty possible.

The warranty on McRoskey manufactured products protects you against product defect. It does not protect against wear. Articles are expected to show normal signs of use. These are not to be construed as warranted defects. Slight body impressions, especially when a mattress is new, are normal and need cause you no concern.

The warranty period is established from the date the product ships from our warehouse.

### **Limited ten year non-prorated warranty on *Classic* and *byDesign* innerspring mattresses, comfort enhancers, box springs and foundations manufactured by McRoskey Mattress Company**

**McRoskey warrants** this mattress, comfort enhancer, box spring and/or foundation during normal wear **against any defect of material or workmanship** if reported during the warranty period.

The repair or replacement (at our option) of any such warranted defect will be free of charge for material and labor during the warranty period. Transportation to and from the McRoskey factory is the responsibility of the purchaser.

McRoskey reserves the right to substitute materials of comparable quality when repairing warranted defects.

## Limited Warranty

### **In order for the Limited Warranty to be valid, you MUST:**

- Use appropriate box spring or foundation support. ***The McRoskey box spring is best for supporting a McRoskey mattress.*** If not a McRoskey, be sure to use a box spring of support capabilities similar to the recommended McRoskey box spring. An old box spring, a non-McRoskey box spring, or an otherwise inappropriate surface may lead to poor comfort or abuse and damage not covered by the Warranty.
- Use appropriate bed frame or no-sag bed slat support. McRoskey recommends for double, queen and king sizes our 9-leg steel bed frame or our no-sag bed slat construction support for bedsteads.
- Be the original consumer purchaser.
- Provide a copy of the original store receipt or other proof of date, place of purchase and purchase price.
- Leave the law label attached to the warranted product.

If a warranted defect occurs during the warranted period, contact the showroom where you made your purchase.

### **McRoskey reserves the right to refuse service and to invalidate this warranty when:**
